

PRIVACY POLICY

MANIACO GAMES LLC (including its websites, games and other applications) knows that your privacy comes first. This Policy outlines the types of data we need to collect from you when you use our websites, games and applications, and will explain exactly how we will use your data.

Who We Are

MANIACO GAMES LLC is a company developing and publishing video games. When customers play games developed by MANIACO GAMES LLC, MANIACO GAMES LLC may collect certain personal customer information such as name, email address, phone number, home address, birth date, mobile phone number, credit card information, information from the customer's profile at SNS, and other personal or non-personal information.

By accepting the MANIACO GAMES LLC Privacy Policy, customers consent to collection, use and disclosure of their non-personal and personal information as described below. The Privacy Policy is accepted when customer registers for an account and/or installs a game developed by MANIACO GAMES LLC. Collection, use and disclosure of non-personal and personal information, and this Privacy Policy are under the authority of Czech law.

Non-personal information is any information that is not personally identifiable such as but not limited to: technical information about customer's mobile device, including IP address, mobile device ID, Network Media Access Control address and connection, username, user ID, feature usage, game play statistics, scores and achievements.

Personal Information refers to any data about a specific and determinable natural person to whom the data relates to. There are several categories of personal information, such as address, identifiable information, sensitive information, and descriptive information.

MANIACO GAMES LLC collects non-personal information when customers use its online products and services and/or play games on mobile devices. Non-personal information may be collected by MANIACO GAMES LLC's own tools,

or through third party technologies such as server log files, web beacon, cookies, and tracking pixels Other technologies that we may use to collect and analyze certain types of information, include cookies, IP addresses (including for purposes of determining customer's approximate geographic location), mobile device ID or other identifiers, browser types, browser language, information passed from customers browser, referring and exit pages and URLs, platform type, the number of clicks, information about customer's media, peripheral hardware, software and/or applications installed on device, domain names and types, landing pages, pages viewed and order of those pages, the date and amount of time spent on particular pages, other Internet and website usage information, game state and the date and time of activity on MANIACO GAMES LLC websites or games, information about how customers uses the game , including game metrics and statistics, feature usage and purchase history.

MANIACO GAMES LLC collects personal information during customer's registration by using Facebook Connect, Twitter or other SNS authentication options to create an account or profile, customer support or technical service request, newsletter subscription, marketing surveys or otherwise through use of MANIACO GAMES LLC. MANIACO GAMES LLC may also receive non-personal data from third parties.

MANIACO GAMES LLC collects, stores and uses personal and non-personal information of customers in order to:

- Provide you with any goods, services or functionality that you might have requested;
- Respond to your queries through our customer support;
- Contact you to promote our website/apps, contests and any special offers we might have;
- Send you newsletters, promotions or any marketing materials.
- Contact you in relation to contest registration and prize acceptance;
- Track your use of our websites and apps to help us learn more about gaming preferences and understand the tendencies of the market, provide in-game offers and notifications that are tailored to you, otherwise enhance your gaming experience;
- Collect statistics;
- Protect against cheating or fraud, or other security breaches;
- Provide adverts that suits your needs and profile the best
- Determinate the jurisdiction in which you are located so we can determinate what of laws apply to you;

- Send you push notifications (if you choose to allow that function).

The customer is prohibited from attempting or assisting others to identify users or reconstruct users' profiles based on non-identifiable data such as that from anonymized or aggregated sources. The customer may not use or transmit someone's personal data without first obtaining their permission and providing all information about how and where the data will be used.

MANIACO GAMES LLC websites, online or mobile products employ third party ad-serving technologies that collect information on the MANIACO GAMES LLC site and in the context of MANIACO GAMES LLC online and mobile products. Third party ad-serving technologies may use cookies, clear GIFs, web beacons, tracking pixels or other technologies to collect information as a result of ad-serving through MANIACO GAMES LLC' products or services, as well tracking. MANIACO GAMES LLC or the third party may log data for the purpose of measuring the effectiveness of advertising campaigns. The data logged for this purpose may include IP address, unique device ID, information about software, applications and hardware, browser information, advertisements served, in-game location, length of time an advertisement was visible, web pages and mobile internet sites that have been viewed by customer, and domain type. The foregoing data may be used and disclosed per this policy and the privacy policy of the company providing the ad-serving technology and to other third parties in a form that does not personally identifies the customer.

The computer systems that MANIACO GAMES LLC uses to collect, store and use the information it collects and receives, are based in Czech Republic. The servers and equipment that store and process customer data may be owned and operated by third parties with whom MANIACO GAMES LLC has contracted to receive, store and process customer data. By accepting the Privacy Policy, the customer agrees with storing and processing data by a contracting party stated above.

As a follow-up to collection of personal and non-Personal Information, we may also use cookies or similar technologies (files that are stored on your computer's hard drive or mobile device when you visit certain websites or apps that identify your computer or mobile device and may store information about such as data). You can disable cookies or set your browser to alert when cookies are being sent, but some of our services may not function properly if you do so.

To prevent fraudulent activities and behaviors that may negatively affect the experiences of all players, MANIACO GAMES LLC is authorized to use "anti-

cheating" software or applications for the prevention of fraud within MANIACO GAMES LLC' online products and mobile platforms.

Information that MANIACO GAMES LLC customers disclose in any online chat rooms, blogs, message boards, user profiles, or in similar forums on MANIACO GAMES LLC sites, is considered to be public information. Customers should be aware that any personally identifiable information that is submitted in the course of these public activities can be read, collected or used by other users of these forums. MANIACO GAMES LLC is not responsible for personally identifiable information that customers make public.

MANIACO GAMES LLC implements reasonable security measures to protect the security of customer information both online and offline. MANIACO GAMES LLC takes reasonable precautions against possible security breaches of customer databases and records, but cannot guarantee that unauthorized access, hacking, data loss or other breaches will never occur. The customer should be aware that transmission of information over the internet is not completely secure, so MANIACO GAMES LLC cannot guarantee the security of data while it is being transmitted.

MANIACO GAMES LLC may use the e-mail address registered to the customer's Account in order to provide the customer with requested information about products and services related to our Games. The customer may choose to opt out from this service when the Account is created. The customer may also opt-out of this service at any time by sending an e-mail from the registered account email address to maniacosoftware@gmail.com

Users need to be aware of the PEGI rating for the individual game they are playing. We do not knowingly allow anyone under the age stated in the PEGI rating to use the service, and we do not knowingly collect or solicit information from underage users. If you are under the PEGI age for the product, please do not send us any information about yourself, including your name, address, telephone number or email address. Should we learn that we have inadvertently collected personal information from an underage user, we will delete that information as soon as possible. If you believe that we might have any information about an underage user, please contact us maniacosoftware@gmail.com

MANIACO GAMES LLC may change this Privacy Policy at any time. However, the changes must be announced by being posted to the website.
